The Meeting of the Eagle and the Condor

Plants & Miracles – A Sufi Teaching of Love, Harmony, and Beauty

Plants & Miracles brings together the wisdom of plant medicine and the miracle-minded path of "A Course in Miracles". One stream descends through the heart of Christian mysticism; the other rises through the living intelligence of sacred plants. Together they open a pathway of healing, forgiveness, illumination, and oneness.

The Eagle

The Eagle represents the spirit of Jesus and his an Christian Mysticism and A Course in Miracles. A teaching of miracle of forgiveness and illumination vision in remembrance of God.

The Condor

The Condor represents the plant medicine path & the spirit of Ayahuasca. It invites purification and a teacher beyond the human condition to teach the Ancient Caduceus.

Their Union

In Plants & Miracles, these two spirits meet in a universal teaching: love over fear and innocence over guilt. Together they teach you to fly again from the Heart of Silence.

"A journey into Love, Harmony, and Beauty in the remembrance of God."
